**MIN 03/06/2024; FEEDBACK FROM THE COMMUNITY**

The Bula Iftin Chief, Mr. Dekow Muhumed, expressed his appreciation for the recently completed streetlight project, highlighting its significant contribution to improving security in his location, particularly at night when armed gangs previously terrorized innocent women and the elderly. He emphasized that this project addressed a critical need for his community.

Mr. Ali Sheikh, an elder from Wabari Location, echoed the sentiments of the Bula Iftin Chief regarding enhanced security in the area. He further added that during the implementation of the project, many unskilled young men and women benefited

through employment opportunities. Mr. Ali also requested that similar projects be extended to other locations within the Township Municipality.

Mr. Hassan Abdi noted that the implemented project has significantly eased movement between the two locations, Wabari and Iftin, which was previously challenging. Thanks to this project, even children can now walk freely between these areas without fear.
